

# JumpStart™

## COLON CLEANSE

Nutritional Supplement  
30 Vegetarian Capsules

### Purpose of Formula

Jumpstart™ provides special support for healthy colon function and elimination.

Our colon is not thought of as contributing to the way we look. However, outer beauty begins with inner health and inner health requires a healthy and clean colon. If the colon is compacted and congested on the inside it is going to be difficult to look and feel radiant on the outside.

### Suggested Use

Begin by taking 1 capsule at bedtime and then as needed take up to 3 capsules at bedtime. Do not use for more than 10 days.
