

MacroMicro™

DAILY CLEANSE AND DETOX

Nutritional Supplement - patented**
60 Vegetarian Capsules

Purpose of Formula

MacroMicro is the most sophisticated cleanse/detox supplement on the market. This patented** formula is uniquely powerful and comprehensive.

'Macro' describes the products function on a large scale. It is designed to help the body cleanse and detoxify all of the systems and organs. It also helps strengthen the systems and organs so they are more capable of performing the cleansing/detoxifying function on their own.

'Micro' describes the products function on a small microbiological and cellular scale. It helps keep bacteria from adhering to living tissue so the bacteria can be safely flushed out of the body.

Supplement Facts

Serving Size: 2 Vegetarian Capsules
Servings Per Container: 30

	Amount Per Serving	% DV
Milk Thistle Extract (seed) (standardized to 80% silymarin)	150 mg	*
N-acetyl Cysteine	125 mg	*
Broccoli Extract (aerial) (standardized to 4000 ppm sulforaphane)	40 mg	*
Alpha Lipoic Acid	60 mg	*
Proprietary Blend: CranXact® Extract (cranberry, grape, apple) (Standardized to clinical levels of bacteria anti-adhesion activity)** blended with special detox/cleansing ingredients.	545 mg	*
Dandelion (root)		*
Cranberry Extract (seeds and/or fruit)		*
Burdock (root)		*
Grape Extract (seeds)		*
Pomegranate Extract (fruit) (40% Ellagic Acid)		*
Artichoke Extract (leaf) (2% Cynarin)		*
Red Clover (aerial)		*
Mullein (leaf)		*
Ginger (root)		*
Larch Arabinogalactan		*
Apple Extract (skins, seeds, fruit)		*

*Daily Value (DV) not established.

**CranXact® patent #'s 5,474,774; 5,525,341; 5,646,178; and 5,650,432. Based on red blood cell hemagglutination assay.

Suggested Use

1-2 vegetarian capsules in the morning and 1-2 vegetarian capsules in the evening, preferably with meals or a glass of water.

Key Active Ingredients

- **Milk Thistle Extract** - the best known cleansing herb. It supports healthy liver function. MacroMicro contains the highest quality, 80% silymarin standardized extract. It protects the liver by stimulating regeneration of new liver cells and inhibiting the passage of toxins into liver cells.
- **N-acetyl Cysteine (NAC)** - stimulates the production of glutathione, the body's most important detoxifying nutrient. NAC supports respiration by helping to thin stubborn mucous. It also helps detoxify and protect against chemicals and heavy metal toxins such as mercury and arsenic.
- **Broccoli Extract** - rich in special sulfur containing nutrients your body needs to support critical detoxifying enzymes.
- **Alpha Lipoic Acid** - known as the universal antioxidant because it functions in both fat and water soluble systems. It also extends the life of (recycles) other important antioxidants and detoxifiers, such as Vitamin C, E, glutathione, and CoQ10. It helps reduce toxicity from such metals as mercury, lead and cadmium. It helps stimulate energy production and inhibits accelerated aging at its origin, the mitochondria, which are the energy factories that exist in every cell.
- **Proprietary Blend consisting of CranXact® Extract (cranberry, grape, apple) blended with special detox/cleansing ingredients.** - This proprietary blend helps make this formula the most comprehensive cleanse/detox formula available. For example, it provides high levels of bacteria cleansing (anti-adhesion). It stimulates bile production which helps break down hard fats and increase nutrient absorption and elimination of waste. It works at the cellular and microbiological levels to protect cells from alteration and damage.

Key Benefits

- Provides comprehensive cleansing/detoxification on the macrobiological and microbiological levels.
- Promotes normal, healthy liver function.
- Helps maintain normal bile flow and fat metabolism.
- Helps protect cells from toxic chemicals and waste by-products.
- Supports respiration by helping to thin stubborn mucous.
- Stimulates the bodies own natural defense systems.
- Helps detoxify and purge toxic heavy metals.
- Protects cells from alteration and damage.
