

A: MacroMicro™ Cleanse plus B: ReEssence™ Cellulite Support

Nutritional Supplement - patented*

MacroMicro™ - 60 vegetarian capsules / ReEssence™ - 60 capsules (combination packs)

Healthy Beauty Begins Within™

This special combination formula finally offers hope to women with cellulite. Why? Cellulite tissue has poor circulation and is starved for nutrients partly because it is laden with toxic, stagnant waste. Combining detoxification and waste removal with special cellulite specific nutrients helps provide a more effective and lasting improvement to health and appearance. About 90% of women over the age of 25 have significant cellulite.

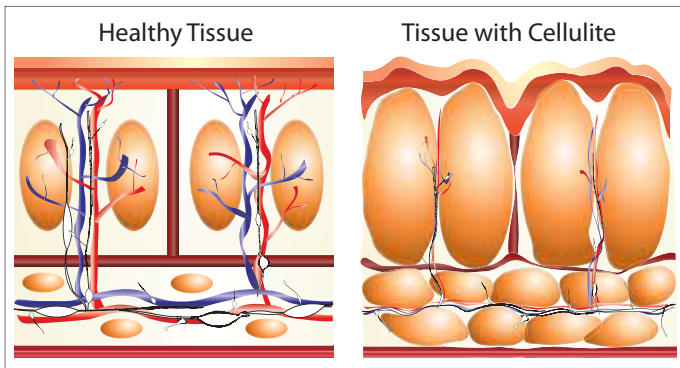

A: Purpose of Cleanse Formula

This uniquely powerful, comprehensive and patented* formula fights toxicity and stagnant waste on the 'Macro' level by helping the body cleanse and detox all of the systems and organs of the body and strengthen these systems and organs so they are more capable of performing the cleansing/detox functions on their own. On the 'Micro' Level it inhibits the adherence of bacteria to human tissue so the bacteria can be safely flushed out of the body.

B: Purpose of Cellulite Formula

ReEssence powerfully combats cellulite in these 4 areas:

1. **Fat** - Supports healthy metabolism & the conversion of fat into energy.
2. **Connective Tissue** - Promotes re-growth of healthy, supple connective tissue.
3. **Circulation** - Helps tone and strengthen blood vessels and increase microcirculation.
4. **Waste/Toxins** - Supports & strengthens the body's natural waste removal and detoxification systems.

*U.S. patent #'s 5,474,774; 5,525,341; 5,646,178; and 5,650,432.

Key Active Ingredients

- **Milk Thistle Extract** - the best known cleansing herb. It protects the liver by stimulating regeneration of new liver cells and inhibiting the passage of toxins into liver cells. MacroMicro contains the highest quality, 80% silymarin standardized extract.
- **N-acetyl Cysteine (NAC)** - stimulates the production of glutathione, the body's most important detoxifying nutrient. It supports respiration by helping to thin stubborn mucous. It also helps detoxify and protect against chemicals & heavy metal toxins such as mercury & arsenic.
- **Broccoli Extract** - rich in special sulfur containing nutrients your body needs to support critical detoxifying enzymes.
- **Alpha Lipoic Acid** - known as the universal antioxidant because it functions in both fat and water soluble systems. It also extends the life of (recycles) other important antioxidants and detoxifiers, such as Vitamin C, E, CoQ10 and glutathione. It reduces toxicity from such metals as mercury, lead and cadmium. It helps stimulate energy production and inhibits accelerated aging at its origin in the mitochondria of every cell.
- **Proprietary Blend consisting of CranXact® Extract (cranberry, grape, apple) blended with special detox/cleansing ingredients.** - This proprietary blend helps make this formula the most comprehensive cleanse/detox formula available. For example, it provides clinical levels of bacteria cleansing (anti-adhesion). It stimulates bile production which helps break down hard fats, increase nutrient absorption and eliminate waste. It works at the cellular and microbiological levels to protect cells from alteration and damage.
- **Centella Asiatica** - helps maintain normal circulation and connective tissue structure & function in the skin. It helps promote fluid balance in the smallest blood vessels.
- **Butcher's Broom Extract** - contains unique compounds called ruscogenins. These compounds help protect, strengthen and tone blood vessels.
- **Bromelain** - helps maintain healthy fluid balance in muscles and other tissues and assists in the normal breakup of congested protein and other by-products so they can be eliminated through the blood and lymph.
- **Capsicum frutescens** - a superb natural booster for circulation and metabolism.
- **Green Tea Extract** - promotes a healthy metabolism and the burning of fat for energy.
